

December Newsletter

As we wrap up the 2024 portion of our season, we are so proud to see how all our skaters have progressed over the last few months. Many thanks to all our families for your patience as we work on getting all the kids up and moving and putting them in their appropriate groups.

This month we are excited to have a few events happening and hope to have many families participating.

- We will have a small float in the **Petrolia Christmas Parade on Saturday December 7th** and we would love to have lots of families walk with us. The theme of the parade is Celebrating Petrolia 150, so come as yourself, wear your club wear, or come in your best costume that celebrates the 150 years of the town.
- Our Holiday Skates will be during sessions the week of **December 15th**. Come wearing red and green, or wear your best holiday sweater/attire; as long as you can skate in it. We will have some treats and maybe a special guest will show up. 🤗🎅
- On **December 19th** we will be having our Winter Showcase. Come watch some of our experienced skaters perform their solos or dances that they have been working hard on, as well as some of our younger skaters that want to go out and share what they've learnt so far! We would love to see families come out to support them all. Admission is by donation to PDSC to go towards various club enhancements.

When we return in the new year, we have a couple other fundraisers planned to help families that still need to reach their \$100 fundraising requirement. Dates are still being finalized but we will be running a Big Box of Cards fundraising campaign, as well as a seed and spices fundraiser with Make It Sow. Stay tuned for details.

We still have of volunteer positions available to sign up for to get your 4 hour requirement completed, especially for our Ice Show in April that we are busy starting to plan for. If needed, you can find a quick link to the sign up page in our display case.

As always, if you have any questions, please feel free to reach out and information can always be found on our website under 'News' and on our Facebook page.
