

March / April Newsletter

As we head into the final month of our 2023/2024 season, we want to thank all our families for helping make this a successful season. We wouldn't be able to do it without your support.

Attached you will find important information pertaining to the upcoming Ice Show, picture day, rehearsal day, and show day. We are still in need of quite a few volunteers to help on the day of the show! Please reach out if you might be able to assist in any way.

If your skater is **not** participating in the Ice Show, their final session will be the week of March 3rd. Please make sure to visit the lobby once they have finished skating.

As always, if you have any questions, please feel free to reach out and information can always be found on our website & Facebook page.
